

# **CHUCK HALVERSON**

## **Class of 1944**

### **University of Wisconsin-Madison in Agriculture**

Chuck worked on an area farm milking cows before running two miles to get to school. Chuck was the only child of 17 siblings who was able to go to high school. He served in the Navy as a lab technician and is a World War II Veteran. He worked for many years at Oscar Mayer, and became a major Wisconsin cattle buyer owning Halverson Livestock. Chuck built the Ludden Lake Country Club, was president of the Iowa Country Booster Club, and served as President of the National "W" Club. He is proud Wisconsin Badger and was recently honored as one of the top 100 Camp Randall season ticket holders.
