

DAWN M. LEY

Class of 2002

**Doctor of Naturopathic Medicine,
National College of Natural Medicine, Portland, Oregon**

**B.S. Edgewood College Biology
with Minors in Spanish, Psychology, and Chemistry**

Dawn first became interested in a career in health care when she enrolled in a C.N.A. course while a student at Dodgeville High School. Now as a naturopath doctor, Dawn has positively impacted many lives through her business, Full Circle Natural Medicine. Dawn believes that her success has been greatly shaped by challenges that she has overcome. Success means finding the intersection of your passion and your mission and going after it with courage and tenacity. It means getting up and loving what you do, and even on the most difficult days, doing it anyway.
