

Brad Borne

Class of 1995

Northwestern Health Science in Minneapolis Doctorate of Chiropractic

B.S. University of Wisconsin – Eau Claire Biology

Brad Borne is an achiever. When he considers what he wants out of life, his personal mantra is “Why not me?” Throughout his career in health and wellness in Aspen, Colorado and New York City, Brad has worked with Olympians, professional golfers, titans of industry, and celebrities. Brad’s career has evolved from sports medicine therapist to wellness advisor. His advice to Dodgeville High School students is “If you want to be interesting, be interested.”
